## Funding Programs

Now more than ever, the Trade Commissioner Service helps Canadian businesses grow globally by connecting them with its funding and support programs, international opportunities, and its network of trade commissioners in more than 160 cities worldwide.

Canadian entrepreneurs, innovators, associations and communities should apply for funding to prepare for international markets and access new opportunities.

### CANEXPORT SMEs

Canadian small and medium-sized enterprises wanting to sell their products and services to new international markets can apply for funding up to \$75,000.

### CANEXPORT INNOVATION

Canadian SMEs, academic institutions and non-government research centers can apply to cover as much as 75% of costs associated with the development of R&D collaborations and commercialization of new technologies through partnerships in international markets.

### CANEXPORT ASSOCIATIONS

Canadian national industry associations and trade organizations can apply for up to \$400,000 in annual funding to pursue international business-development activities on behalf of an entire industry.

### CANEXPORT COMMUNITY INVESTMENTS

Canadian communities and non-profit, locally based organizations can apply for up to \$500,000 in annual funding to attract, retain and expand foreign direct investment.

### CANADIAN INTERNATIONAL INNOVATION PROGRAM (CIIP)

CIIP helps innovative SMEs pursue collaborative R&D projects to adapt, validate or co-create their technologies, services or processes with the potential for commercialization in partner markets: Brazil, China, India, Israel, South Korea.

The TCS has the hands-on knowledge that comes from helping thousands of companies each year to pursue opportunities in global markets. We understand the sensitivity of your business information and we respect its confidentiality. Whether you're looking to export, invest abroad, attract investment or develop innovation and R & D partnerships, our global network of business professionals can help.
